

# PINK SAFETY VESTS

Classed as a **Night Only** pink vest, the On Site Safety pink safety vests will help you stand out from the crowd.

The polyester vests are ideal for visitors and are comfortable for wearing all day.

The vests have a horizontal hook/keeper enclosures which allows you to adjust sizing across the body.

The "H Pattern" silver reflective tape sewn into the vest is AS/NZS 1906.4 and AS/NZS 4602.1:2011 compliant. The "H Pattern" is sewn on both the front and back of vest.

The silver reflective tape is 50mm width.

The black trim contrasts against the vibrant pink vest colours.

Each vest comes individually packed, except for screen printed vests which are bulk packed after decorating.

Vests can be screen printed or logo applied by heat transfer.

A full size range is available from Extra Small to 4XL.
