

Protected meets connected.

Make the smart choice and protect your hearing without sacrificing communication on the job site. With the 3M™ PELTOR™ Wireless Communication Accessory, you can keep working — and communicating — in loud settings. Featuring a noise-cancelling microphone, it instantly turns your 3M™ PELTOR™ X Series Earmuffs into a hands-free wireless communications device for use in noisy environments. That's hearing protection and communication without compromise — that's how X Series works smarter.

- ▶ *Bluetooth*® wireless technology
- ▶ Noise-cancelling microphone
- ▶ Assembles in seconds
- ▶ 8 hours talk/streaming time
- ▶ Resistant to harsh environmental elements (IP54)
- ▶ One-button operation

Simply remove ear cushion
and snap into place.*

Communicate clearly without risking your safety.

Make and receive important calls without removing your hearing protection or leaving the noisy job site. Stay connected to the crew while operating a crane or other heavy equipment. Talk to your delivery drivers, get important weather alerts and more with the 3M™ PELTOR™ Wireless Communication Accessory.
