Product information

This safety vest offers visibility with function. A practical addition to any workplace, it offers enhanced visibility at all times. There are 3 great colours to choose from.

Standards

EN 17353 Type B3

Iona Vest-Port

The Iona Vest-Port range combines practical design and colours with reflective taping to give extra visibility in low light conditions. Constructed using a durable 100% polyester warp knitted fabric which is lightweight, comfortable and highly breathable. The vests can be worn over layers to ensure visibility without adding bulk.

Workwear

The Portwest Workwear Collection offers a range of designs and features suitable for many end uses. The best quality fabrics and construction techniques are used, guaranteeing comfort and safety. Tested to withstand the rigours of everyday wear, each garment has been carefully designed and manufactured to ensure optimum quality at the best price.
