

GWORX213

Cut Resistant Thermal

SAND NITRILE

Features

- ▲ HPPE liner provides not only a high level of cut resistance but a soft dexterous feel
- ▲ Breathable brushed terry lining to keep hands warm
- ▲ Knitted 13 gauge liner provides excellent dexterity for general purpose work
- ▲ Touch screen friendly
- ▲ Sand Nitrile coating provides excellent wet, dry and oil grip
- ▲ Perfect form, fit and comfort is achieved through Force360's unique knit pattern that mimics a 'hand at rest', minimizing hand fatigue
- ▲ Only selected materials that allow air flow are used to ensure 360 degree air circulation and enhanced breathability
- ▲ UPF50+ offering maximum sun protection

Standards & Certification

Force360 recognise that without product certification by a Notified Body all product performance testing, and adherence to standards claims cannot be independently verified. If they are not as claimed, serious safety implications for the wearer, and legal implications for the supplier and even the employer may arise.

Force360 source their entire range of synthetic hand protection from a single manufacturing partner to ensure consistency and reliability of product, but most importantly Force360 have taken the further step of engaging a globally recognised Notified Body to audit and certify both the manufacturing process and the products.

All of Force360's hand protection is certified to the latest AS/NZS hand protection standards.

Key Technologies

360° Breathability

Keeping hands cool is critical for comfort and improved wearer compliance. Only selected materials that allow air flow are used to ensure 360 degree air circulation and enhanced breathability.

Hand at Rest

Perfect form, fit and comfort is achieved through Force360's unique knit pattern that mimics a 'hand at rest', minimizing hand fatigue.

Touch Screen Friendly

The wearer can leave their gloves on while answering phone messages, reducing the chances of a workplace hand injury.

Reach Compliance

Required Safe pH Level

Certified under AS/NZS 2161.2:2020

AZO Dye and Irritant Chemical Free

Certified under AS/NZS 2161.2:2020
