- ▲ Chemical free production for wearer peace of mind
- ▲ UPF50+ offering maximum sun protection

Standards & Certification

EN 388:2016 EN 407:2020

3543F

X2XXXX

Force360 recognise that without product certification by a Notified Body all product performance testing, and adherence to standards claims cannot be independently verified. If they are not as claimed, serious safety implications for the wearer, and legal implications for the supplier and even the employer may arise. Force360 source their entire range of Synthetic hand protection from a single manufacturing partner to ensure consistency and reliability of product, but most importantly Force360 have taken the further step of engaging a globally recognised Notified Body to audit and certify both the manufacturing process and the products. All of Force360's hand protection is certified to the latest AS/NZS hand protection standards.

Specifications

Part No.	GWORX605
Liner	Sinomac
Coating	Cowhide Leather

Packaging

1 12 72
